Buncombe County Criminal Court Clerkship Contest.

BEFORE SUPREME COURT

The Constitutionality of Another Act of the Legislature to Be Tested—Prisoners Brought From Portsmouth and Jailed For Safe Keeping—Salaries Withheld—The Late Senator Morrill—A Generous Act.

Raleigh, N. C., April 15.—The case of W. H. Wilson vs. John Y. Jordan, over the criminal court clerkship for Buncombe county, having been advanced on the Supreme Court docket, was argued yesterday. The plaintiff, Wilson, was represented by Lusk & Carter, of Asheville. The case for the defendant, Jordan, was argued by Shepherd & Busbee, of this city, and briefs were filed by Moore & Moore and Carter & Weaver, of Asheville.

The facts in the case as brought out by the plaintiff are about as follows: The Legislature of 1895 established a criminal court composed of Buncombe, Madison, Haywood and Henderson, and in accordance with the provisions of the act the plaintiff, W. H. Wilson, was at the next general election chosen as clerk of the court for a term of four years. He qualified and was inducted into office on the first Monday in December, 1895.

The Legislature of 1897 amended the act so as to include McDowell county, and by virtue also of this amendment Wilson became clerk of the criminal court of Buncombe county.

The Legislature of 1899, by an act passed February 27th, abolished the court entirely, and on March 2d established a court of record to be called the "Western Criminal District Court" for the counties of Buncombe, Haywood, Burke, Surry, Yancey, McDowell, Forsyth, Madison and Caldwell.

This last named act gives the clerk of the court power to appoint a judge, and in accordance therewith Judge Stevens has appointed Mr. John Y. Jordan, of this city, to fill the position.

It would seem from this that the Supreme Court will have to decide with Jordan, unless it deliberately says otherwise that the Legislature had no right to honestly change its mind after doing a thing, or that in changing its mind it violated the constitution.

JAILED FOR SAFE KEEPING.
Two negroes, Henry McLean and Lucius Gill, charged with murder, were brought here yesterday and put in jail for safe keeping.

They are from Robeson county, where they committed the crime, but they were apprehended at Pinner's Point by Deputy Sheriff Abbott, of Norfolk county, and brought back here by Chief of Police McIver, of Charlotte.

On the 23rd of last February an aged farmer named McBride, who lived at Bonau, Robeson county, and bore an excellent reputation, was struck on the head with a piece of iron, and his skull crushed, causing death a few hours later. As soon as the deed was committed the men took to the woods and all efforts to successfully locate them proved futile until Tuesday night, when they were caught in Norfolk.

The men agreed to come back to 201 North Carolina without making any request papers, and Chief McIver brought them here on the 21st train over the Seaboard Air Line Wednesday night.

WILL PAY NEITHER SIDE.
Pending the contest in the courts over Shell Fish Commission and Corporation Commission, Auditor Ayer will issue warrants and Treasurer Worth will pay out no checks to either Mr. Liddigfield or to the Board of Shell Fish Commissioners. This was announced by Auditor Ayer yesterday.

ANOTHER DAMAGE SUIT.
A damage suit has been brought against the city of Raleigh and the Seaboard Air Line jointly by Mr. H. A. Bland. The complainant alleges that by reason of the failure of the city and of the Seaboard to provide a proper culvert under the railroad at the foot of Peace street, his property and that of others was overflowed during the recent rains and great damage done.

THE LATE SENATOR MORRILL.
Yesterday morning at the A. and M. College, honors were paid to the late Senator Morrill, who was the author of the bill that established the Agricultural and Mechanical Colleges in all the States. Immediately after morning prayers, President Holliday spoke of the career of Senator Morrill in a few words, and Mr. W. S. Primrose, president of the Board of Trustees, followed in a short excellent address. Prof. W. F. Massey then delivered an address that touched upon the value of the school established by Senator Morrill and discussed their scope. It was a fine address, full of wisdom.

A GENEROUS ACT.
Mr. W. A. Erwin, of the Erwin Cotton Mills in West Durham, has put a plan on foot that will be of incalculable benefit to the cotton mill employees there. He has ascertained that about one hundred and sixty-five of his employees cannot read or write. He has agreed to give these five months' tuition in school and has engaged Prof. A. T. Henry to teach them. Prof. Henry will begin the school next Monday night. Out of the one hundred and sixty-five employees who can neither read nor write, only fifteen refused to accept Mr. Erwin's kind and magnanimous offer. The expense of tuition books, etc., will be borne by Mr. Erwin.

Wireless Telegraphy Apparatus.
Trinity College, N. C., April 15.—At the regular monthly meeting of the Science Club, the following donations to the museum were made:

Thirty marine specimens by the United States Government, a collection

Geological Survey, an exhibit of storage battery plates, and several others.
Professor C. W. Edwards exhibited a complete apparatus for wireless telegraphy, constructed at Trinity, and an X-ray outfit donated some time ago by Mr. B. Duke. He explained the theory of both. The meeting was a very interesting one.

EDENTON.

Edenton, N. C., April 15.—Court at Winton next week.
The ladies of the M. E. Church are making preparations for giving a "Tackey Party" Tuesday evening for the benefit of the church in the store recently vacated by C. B. Elliott.

Messrs. M. Millette, of Columbia, and C. W. Grice, of Elizabeth City, are at the Bay View.

Mr. A. F. Riddick, of Hertford, was on our streets yesterday.

Judge Bowman left to-day on the Norfolk and Southern railroad's boat for Winton.
The catch of fish has been larger for the past two days than at any time during this season, and the faces of our fishermen are much brighter.

Revenue Officer Parker and Photographer Morgan are in town this morning.

Death of H. H. Cortland.
Greensboro, N. C., April 15.—Mr. H. H. Cortland, of this city, died at 5 o'clock this morning, after five weeks of sickness.

Mr. Cortland was one of the most popular business men in Greensboro. He was known all over the State as a merchant tailor. ELIZABETH CITY.

Progress of the Union Revival Meetings.

Youthful Victims of Accidents Improving—A Little Hunter Goes In Business For Himself—Big Catch of Herring—Personal.

(Special to Virginian-Pilot.)
Elizabeth City, N. C., April 15.—The most interesting of the series of services at the Baptist Church thus far was held last night, and Rev. T. C. Skinner seemed to be at his best. After a most impressive sermon an invitation was given for all who desired to be saved to come forward and make a public confession. Several responded, and considerable interest was manifested.

Federal Court will open here next Tuesday (15th), Judge Purnell presiding. We understand there is very little business to come up at this time.

Mr. C. W. Grice, who has been absent from town several weeks in the interest of the North Carolina Light Co., returned to-day and reports a successful trip.

RECOVERING FROM ACCIDENTS.
Little Roland Sawyer, who had the sad misfortune to break his leg about six weeks ago, has improved sufficiently to be able to come out into the yard.

Mr. J. R. Bergeron's little boy, who had the same misfortune about the same time, is also doing well, and will be out in a few days.

Mr. T. C. Jones, of the firm of Sawyer & Jones, has rented the new residence of Mrs. Griffin, on Church street, and will move in as soon as it is completed, which will be in a short while.

Mr. M. N. Sawyer has commenced a large new residence on the corner of Road and Cypress streets. Mr. John Martin has the contract for building it.

Mrs. W. H. Smith, of Oriental, N. C., is visiting her many friends in Elizabeth City.

Master Herbert P. Smith has resumed business at his old stand, No. 11 Poinceter street, where he will serve his young friends (and old ones, too) with good drinks and confectioneries. Herbert is an old carrier of the Virginian-Pilot, and has taken care of his money and invested it in business for himself. He is a little hustler.

BIG CATCH OF HERRINGS.
Six thousand was the number of herrings caught in one haul by Mr. J. L. Prichard, set a seine at Harvey's Point, yesterday. He is catching all the fish he can take care of, and selling them at \$2.50 per thousand at the beach.

OPEN LETTERS FROM

Jennie E. Green and Mrs. Harry Hardy.

JENNIE E. GREEN, Denmark, Iowa, writes to Mrs. Pinkham:
"I had been sick at my monthly periods for seven years, and tried almost everything I ever heard of, but without any benefit. Was troubled with backache, headache, pains in the shoulders and distress. Through my mother I was induced to try Lydia E. Pinkham's Vegetable Compound, and it has done me so much good. I am now sound and well."

Mrs. HARRY HARDY, Riverside, Iowa, writes to Mrs. Pinkham the story of her struggle with serious ovarian trouble, and the benefit she received from the use of Lydia E. Pinkham's Vegetable Compound. This is her letter:

"How thankful I am that I took your medicine. I was troubled for two years with inflammation of the womb and ovaries, womb was also very low. I was in constant misery. I had heart trouble, was short of breath and could not walk five blocks to save my life. Suffered very much with my back, had headache all the time, was nervous, menstruations were irregular and painful, had a bad discharge and was troubled with bloating. I was a perfect wreck. Had doctored and taken local treatments, but still was no better. I was advised by one of my neighbors to write to you. I have now finished the second bottle of Mrs. Pinkham's Vegetable Compound, and am better in every way. I am able to do my own work and can walk nearly a mile without fatigue; something I had not been able to do for over two years. Your medicine has done me more good than all the doctors."

Big 4 is a non-poisonous Food, for the cure of all diseases, such as Spasmodic Cholera, Typhoid, Dysentery, Diarrhea, Irritation of the bowels, and all other ailments of the digestive system. It is a perfect food, and is sold in plain wrapper. Circular sent on request.
